

April 29, 2022

Dear Parents/Guardians,

Our PAC is continuing their fundraising efforts for a new playground at Savona Elementary. Attached is an order form for Good Life Meats. Orders are due back to the school by Friday, May 13th and pickup will be on Wednesday, May 18th. As some items will be frozen and we do not have a lot of freezer space at the school, we ask that you please be available to pick up your order on that day.

This is a great opportunity to shop local, support our school and stock up on supplies before the long weekend!

Thank-you again for your continued support!

****Please make any cheques payable to Savona Elementary PAC**
