Dear Parents:

At Savona Elementary, we are once again fortunate to be participating in the BC School Fruit and Vegetable Program. This is an initiative to improve the health of BC children and families. Students receive a fresh fruit or vegetable snack every couple of weeks. Eating the recommended amounts of fruit and vegetables improves children's health and improves children's ability to concentrate.

There is no cost to parents for the program. If you have any questions or concerns, please contact the school for more information.

Please fill in the form below and return to the school office as soon as possible. Thank you for your support as we encourage our children to make healthy eating choices.

Scott Galloway  
Principal

I do   
I do not

Wish my child(ren) to participate in the school fruit and vegetable program.
